## What is DLC:

Diocesan Liturgy Camp, also known as DLC, is a non-profit organization managed under the Foundation of Catholic Community Services. DLC is youth camp for children aged six to fourteen that also offers a counsellor in training program for campers between the ages of fifteen and sixteen. DLC is committed to giving our campers the opportunity to grow intellectually and physically while challenging them to explore their full creative potential. Having discovered what they are capable of doing, they are equipped to examine their basic values at a level suited to their understanding. Through games and activities, values and choices are presented in an exciting and thought provoking manner.
