

Foundations Family Week

Foundations Family Week (FFW) is a special one-week opportunity for a whole-family get-away at beautiful Camp Kinkora. This week is especially designed for families who may not have the financial means to enjoy a family vacation, and could benefit from time away from their everyday lives to enjoy the outdoors, have fun, relax, and strengthen family bonds. Through fun-filled, family-centered, meaningful programming and activities, families will have the opportunity to make cherished and lasting memories together, while enjoying a sense of community and support among other families. FFW offers separate activities for adults and children... because sometimes adults need adult time,

and kids need kids-only time! Trained staff will supervise and animate youth activities, giving parents much needed time to relax on their own or with other adults.
